AVI2F1409A	Undertake aircraft underwater escape and survival																																					
AVI2F1509A	Utilise emergency breathing system																																					
AVI2W2909A	Operate aircraft refuelling nozzle																																					
AVI2W3009A	Be airborne extracted by suspended rope																																					
AVI2W3109A	Be airborne extracted using suspended extraction equipment																																					
AVI2W3209A	Fast rope from a helicopter																																					
AVI2W3309A	Rappel from a helicopter																																					
AVI3F1609A	Marshal aircraft																																					
AVI4I1508A	Monitor and enhance customer service excellence																																					
AVI4W3409A	Supervise aircraft refuelling																																					
AVI4Y5509A	Conduct airborne extraction operations																																					
AVI4Y5609A	Conduct airborne rappelling operations																																					
AVI4Y5709A	Perform helicopter deck landing operations																																					
AVI4Y5809A	Pilot a helicopter during external load operations																																					
AVI4Y5909A	Pilot a helicopter during roping operations																																					
AVI4Y6009A	Pilot a helicopter during winching operations																																					
AVI4Y6109A	Perform aerobatic manoeuvres																																					
AVI4Y6209A	Perform an aerobatic sequence
